

# INDIAN VALLEY LITTLE LEAGUE

6078 Route 209  
PO Box 686  
Kerhonkson, NY 12446

---

Hi Indian Valley Little League families, as the treasurer of the league I am often asked “if we just paid for registration, why are we asked to raise additional funds?”

The quick answer is the registration costs do not actually cover the entire fiscal responsibilities of the league. So to keep you all informed and make for a transparent accounting of the leagues financial obligations, here is a general list and estimates of our yearly expenses:

Official League Dues/Insurance: \$2700

Field supplies/Maintenance: \$3600

Equipment/uniforms: \$11,500

Utilities: \$2000

Concession stand: \$6850

Awards/end of year party: \$2600

Scholarships/donations: \$750

Plus some minor additional miscellaneous costs that arise throughout the season, for a total of approximately \$30,000.

As far as the league revenues, historically the league brings in a little less than that (approximately \$28000) so in order to sustain the program, additional funds are needed. If we all do our small part then the league will continue to supply a fun, safe and ongoing baseball program for all our kids.

Thanks,

From the treasurer of Indian Valley Little League
